

## Mobile EMT, LPN, RN

Experienced Flu Shot Nurse or EMT compassionately providing flu shots in a health fair/health screen setting. Adept at following CHC Wellness clinical instructions, carefully reviewing patient information and monitoring patient reactions to shots. Specialize in making patients feel at ease before and during the process of administering shots.

### Highlights

- A current EMT, RN or LPN license in good standing
- Extensive understanding of vaccine safety control procedures
- Adept at monitoring patients during the process of administering shots
- Strong knowledge of flu vaccines, including storage requirements
- Impressive ability to keep patients calm
- Ability to work efficiently with minimal supervision
- Respectable ability to communicate with patients
- Capable of working flexible schedules
- Ability to work in a fast paced setting
- Hold high value to patient confidentiality

CHC Wellness, a national wellness company, is seeking experienced Traveling/Mobile EMT, LPN, or RN for administering flu shots at onsite flu events. This position will require the EMT, LPN, or RN to drive and travel to off-site locations throughout Chicago and surrounding suburbs. The qualified candidate must be responsible and reliable.
